REQUIREMENTS

The Oak Valley Community Bank 2027 Summer Internships Program is open to college students who meet the following requirements:

- Currently pursuing a bachelor's degree with an expected graduation date in 2028 or 2029.
- Demonstrated interest in business or a related field.
- Strong academic record with a minimum GPA of 3.0.
- Excellent communication & analytical skills.

HOW TO APPLY

Visit www.ovcb.com/internships. Submit a personalized cover letter, resume, and your application information. If selected, you will be contacted for an interview.

CAREER PATHWAYS

Our internship program provides a rewarding introduction to a career in banking, offering hands-on experience in financial analysis, risk management, customer relations, and leadership development. We aim to equip interns with the skills and experience needed for long-term professional success.

NETWORKING & CONNECTIONS

At Oak Valley, we value building a strong professional network through our internship program, which fosters connections with industry professionals and peers, while offering mentorship and feedback for career growth and development.

LEARNING & DEVELOPMENT

Through interactive workshops and training sessions, interns will enhance their analytical and communication skills while gaining a comprehensive grasp of banking intricacies.

BANK-WIDE INTERNSHIP

During the first half of the internship, interns will gain hands-on experience and learn the full spectrum of a bank's operations in various departments including customer relations, compliance, marketing, credit analysis, and loan approval.

DEPARTMENT-SPECIFIC INTERNSHIPS

During the second half of the internship, interns select a specific department to gain hands-on experience, learn how financial institutions operate, and develop skills applicable across the banking industry.
